

How Does This Work at Each of These Sets of Dates? **UPDATED 4/7/2021 6:50 PM**

4/01-4/12 Start to End Dates

The 2nd Part folder is open and you can read the instructions at the top of the folder.

4/02-4/05 Your Prof Emails You This; You Reply with Date and Time; Your Prof Confirms Date and Time

Hi, you did the 1st Part Project. For reasons covered earlier, each of you **must** have a conference with your prof before you can do the 2nd Part and Fact-Check or Plagiarism-Check of 2 other students in the class. It is worth 50 points (because we will **not** do the 3rd Part), but your score will **double** from **50 to 100** if you do **ALL** tasks with these Projects. Talking to the prof seemed to help some students in the 1st 8-week class and hurt none.

First, a) Look at the chart below. b) **IF YOU DO NOT HAVE AN APPOINTMENT YET, Email me the 3 times you can talk to me and say which time slot you want most.** **Tip:** If you can't see a way to do this with this schedule, email me and—if google voice is on—call me. I have done appointments as early as 6 AM and as late as 8 PM.

Legend for the Information in the Chart

- **Not available** = 1 hour of online office hours per day for students who have questions about **history** work.
- **20, 15, and 10** = **Bonus** if you ask for a date to talk to your prof with **20, 15, or 10 # in left corner of the slot**
- **Taken** = Word I **will** enter in the slot when a student choses it. **Tip:** Click [here so you can check to see what slots are left](http://www.cjbibus.com/401_to_419_What_We_Do.pdf). Link Address: http://www.cjbibus.com/401_to_419_What_We_Do.pdf
- **Tip:** Print your paper and have paper to write notes. To make a good grade on your 2nd Part, you must know **not** to do somethings and what to **instead**. Memory rarely works.

Re Wednesday, logistics problems so I have made 2 places on 4/8 with those points. Thoughts to try to help you:

- **Caution:** Would a business or customer pay you for how you did this project? Few of you can accurately say “Yes.”
- **Tip:** I read your work like you matter because you do.
