40

The end of the civil war marked a new era in American history. The right of citizens of the U.S. to vote shall not be denied on account of race, color, or the previous condition of servitude. ¹

40

With freedom came a new conception of the rights of American citizenship. The rights of national government empowered to protect the rights of citizens over and above violations of the states. ²

40

There has never been, in the history of civilization, a period or a section of the earth in which science and invention have created such opportunity for material welfare, as in these United States in the period after the civil war.
