- To receive the points written on this sheet, you must within one week of the day it was provided to your class:
 - sign this form below
 - return it and your attached writing to me
- If you want to take your writing and this form with you, you must sign it out. If you do not return both, you receive 0 points. *Why does the instructor keep both?* Among the many reasons, I use them to understand how you are understanding history and evidence from one writing to the next.
- To understand the marks in the rubric and in the left margin on your paper, you must do what I did when I graded. You must compare **side by side** your words with the textbook pages you cited or should have cited.
- Notice the brief words in the left margin next to lines in your paper. These brief words refer to the statements in the rubric:
 - "F" column: assumed (reading/writing), unreliable, incorrect, incomplete, "" -meaning, not ?, not endnotes, not cite
 - "D" column: read-passive, cherry-pick, embellish, write-passive, "half-copy," "" -incorrect, "" -author
 - Both "F" and "D" columns: directions, mechanics
 (FYI: The statements in the rubric are covered in detail in the 5 Good Habits for Evidence link. If you need, just ask.)
- If you do not understand the **feedback** or want **help in developing different habits, I will be glad to help you.**
