¹ What are the grades Respondus Review-1, -2, -3, -4, -5? If you take care of your responsibilities to follow the rules shown in the Distance Education's Video called **Starting Your Test** (click WebCam Startup), you earn 5 points each time. **Specific Caution:** Based on the number of students last term who lost points on the Final Exam, some of you **must retrain** yourself. 1) Use the resources. 2) Ask if you have questions. **I am glad to help.** **Specific Tip:** With the 2nd to 5th Respondus exams, some of may need to **replay** Distance Education's video before **each** exam. **If you refresh in some way**, you will do great on the last 4 Reviews. **General Caution:** The Social and Behavior Science Division takes Respondus seriously (as we should). I will deduct points according to the list in the syllabus. Also, if you had the full 5 points on **all** prior exams and you act incorrectly on the Final Exam, I will reevaluate **all** the earlier exam videos. Guys, Respondus is the right thing for **all** of us to do.

² If you only read posts in a Unit's Q & A, then 5 points is appropriate. If you posts are brief and help others, then your prof will add up to 10 points extra credit to your score. For brief instructions for how to work in the Unit Q & A's, see the syllabus.
