Video Forms, Writing-#1, and Writing-#2

Writing-#1, Writing-#2, and the 3 Video Forms are considered as part of your 30% writing work in this course:

- Video Forms are informal writings, but they give you practice in writing and evidence skills. The Videos, with instructions, are located in each Unit. So we have several people in the class looking at each of the videos, when you sign up for a specific video, the signup sheet states the date you turn the form in. (To help people, I scan that signup sheet and place it in the Video folder within the Unit.
- Writing-#1 and Writing-#2 are formal writings placed in a folder between Unit 1 and Unit 2. You have everything you need for the writing work, including primaries.

If you improve your evidence skills from your first assignment to the next one, I am willing to increase the earlier grade.

Caution: Doing that requires that **you save every** video form or writing that you turn in and my feedback on that assignment even if it is a separate piece of paper. I cannot determine improvement without the prior work.
