¹ What are the grades Respondus Review-1 to 5? **Tip/Caution:** You **only** earn the points if your actions make it easy for your prof to do the jobs Distance Education’s training says **WCJC profs are required to do**. By 2/26, your prof provides a new aid to try to help you do this easily. **General Caution:** The Social and Behavior Science Division takes Respondus seriously (as we should). I will deduct points according to the list in the syllabus (page 7). Also, if you had the full 5 points on all prior exams and you act incorrectly on the Final Exam, I will reevaluate all the earlier exam videos. Guys, Respondus is the right thing for all of us to do.

² If you only read posts in a Unit’s Q & A, then 5 points is appropriate. If your posts are brief and help others, then your prof will add up to 10 points extra credit to your score. For brief instructions for how to work in Unit Q & A’s, click on a thread in the discussion.

³**Cumulative Total?** You calculate your average at the end of each grading folder. **Divide** the number in your Blackboard Total at My Grades by the current folder’s Cumulative Total (number of points you could have earned thus far). **Reminder from the syllabus:** an A = 89.5% or higher, B = 79.5% or higher, C = 69.5% or higher, D = 59.5% or higher, and F = 59.4% or lower.

History Review & Final Exam (April 25-May 12 at **NOON**) – Opening Early for Flexible Review Times

Assignment Type	Assignment	Date Range/Due Date	Points
Required Reading	• All documents in the folder, including the History Review • About the Final (at the bottom , above where the exam will be)	April 25-May 12 at NOON	--
Final Exam	• Final Exam–Requires Respondus Monitor. 3 Cautions: 1. To be sure your Unit 3 Exam is reviewed so you can take the Final Exam, you sign up in a discussion for the date and time period you want to take the Final Exam so your prof can be sure to review your Unit 3 Exam so you can do the Final when you want. FYI: For years, this has worked very well. 2. Your Final Exam grade may change after the prof's video check of the Final Exam. 3. History Department policy is No Final Exam – then an F for the whole course.	May 9 to May 12 at 11:59 AM (Noon) ⁴ Grades visible in Blackboard estimated by Noon May 13. If you have a problem with a grade, email details and a reliable phone number. Caution: Your prof enters Final Letter Grades in the official record beginning May 13 in the early afternoon	100
	• Respondus Review-5 for 5 points	Reviewed ASAP.	5
		Sub-Total	105
		Total	1000

I reserve the right to modify the syllabus during the semester.

⁴ Why stop exams at noon? When many people are testing at one time (as with Final Exams), Respondus displays messages with new videos of students saying the tests may take 24 hours to process. In my experience, it has not taken 24 hours, but it has meant getting up at 4 AM to increase the odds that I could check all in this category before grades were due. I prefer avoiding the risk.
