Respondus & Final Exam (November 15–December 14)–Opens EARLY for Respondus Practice & Review

Note to Students: Given the mess that led to the last time, I will be changing this section and update about 11/15.

¹ If you do not understand EITHER the instructions for writing OR the feedback in the graded rubric

1st go back to the 1st Part Writing folder and re-read the instructions and the Evidence Quiz and the *Bedford* pages.

2nd If you still need help, email your prof for an appointment for a conference and say possible dates and times. **Example if you want talk about the graded rubric:** "Could we talk about the rubric on Monday any time 1 to 5 or Wednesday 1 to 3? **Guys, I am glad to help all of you.** I am trying to rig this schedule so I can talk to students in all classes. **Tip for success:** Make sure you have your rubric and paper visible and you can quickly open instructions, sample paper, primaries, textbook pages, and video quickly.

² Unit 2 incentives in the face of the mess we had. Entered 5 points extra credit for the incentive for any Self-Test or Full-Test to 80% or more 10/24. Will enter 4 points if that is done by 10/29 and 3 points if that is done by 11/5.

³ Do not be concerned about the amount of time. The 3rd Part assignment is useful and similar to what you will have to in jobs and teams, but it does not take the amount of time that the 1st Part or 2nd Part did.

I reserve the right to modify the syllabus during the semester.
