Caution: On the Left, the STEP # & Your Required Actions – On the Right, How Many Points You Will Lose on Exams

Additional information beginning with the word **Example** or **Caution** in this table is from Distance Education’s training classes. I have confirmed them with its director in a meeting 1/22. All quotations are from the video.

STEP #	Exam Conduct Requirement:	Consequence for Violation of Exam Conduct:
6	Valid photo ID shown (Example: Texas Driver’s License. Caution: profs must compare your Photo ID with your name in Blackboard and with the picture you take of yourself. Place your PHOTO ID so your prof can do that.)	Penalty up to minus 30 percentage points (Grade of 0 until you establish a valid ID.)
2	Correct placement of webcam	Penalty up to minus 30 percentage points

2	Microphone turned on and recording	Penalty up to minus 30 percentage points

Tips for THIS Class Only: These things are **not** in Distance Education's training or the Sample Respondus Exam, but they are solutions that I have worked out with **my** students for **my classes only**.

- **About not sitting on the bed or floor** in GUIDELINES. If all you have to sit on is a bed, then your prof has agreed to let students sit on the floor. If you are in that situation, email or call me for how you would have to do that.
- **About showing the PHOTO ID in STEP 6 if you have a Vertical Texas license:**
 1. **Do this:** Place your license close to the webcam with **only** your name and photo clearly visible. In other words, you do not need to show the ends of the top and of the bottom of a vertical license.
- **About showing the PHOTO ID in STEP 6 if you just cannot make your PHOTO ID fit a WebCam:**
 1. Do **not** rotate your PHOTO ID. **Reminder:** Profs must compare your Photo ID with your name in Blackboard and with the picture you take of yourself.
 2. **Instead do this:**
 - a) Use your phone to take a picture of your PHOTO ID, being sure you clearly show your name and your picture on the ID. **Tip:** It is fine if you use black tape to cover over private information.
 - b) Email it to Connie Bibus (Instructor) in Course Messages with the subject line Respondus PHOTO ID. Your prof will file it in a Blackboard email folder for all scanned IDs. **Favor:** on the Sample Respondus Exam, say aloud that you sent me your picture of your PHOTO ID in Course Messages.
- **About showing the PHOTO ID in STEP 6 if you just do not have a Texas Driver's License**
 1. See if you have an ID that has:
 - Your name
 - Your photo
 - Name of the issuing organization

Examples **that have worked:** A recent or even current school ID. A PHOTO ID that is a work permit
 2. To repeat the actions in 2 above
 1. Use your phone to take a picture of your PHOTO ID, being sure you clearly show your name and your picture on the ID. **Tip:** It is fine if you use black tape to cover over private information.
 2. Email it to Connie Bibus (Instructor) in Course Messages with the subject line Respondus PHOTO ID. Your prof will file it in a Blackboard email folder for all scanned IDs. **Favor:** on the Sample Respondus Exam, say aloud that you sent me your picture of your PHOTO ID in Course Messages.
- **About different problems that cause you not to be able to do what is in the Sample Respondus Exam**
 1. Email me about your situation
 2. If your prof cannot think of a solution, we can talk by phone to see if we can think through what might work within this class but not violate WCJC's listed requirements.
