

What We Will Cover in the Remainder of Unit 2 – Repeated for Chapters 7, 8, 9, and 10

Seeing How History Changes from 1800 to the 1840s

- What are the new geographic sections of America?
- What are the general changes:
 - In new technologies of transportation that change geographic relationships?
 - In productivity of new and old land
 - In capital
 - In what populations are surplus and scarce?
- What are significant elections and what are changes in voting
- What happens with slavery and the new territories? Slavery and voting?
- What happens with the Native Americans?
- What and who changes with the Supreme Court?
- What happens with financial policies since the time of Hamilton to the 1840s?

Click [here for a printable 1-page chart of these transformations with a 1-page resource on the Supreme Court in this era and the change to universal white male suffrage by the end of this period.](#)

Or an [here for an htm alternative if you cannot see the colors in the pdf.](#)
